

Thank you for your interest in Kiddie Kollege Preschool. We are a Christian Preschool that has been serving the children in our community for over 35 years. Located in the Winona Lake Free Methodist Church, we offer both morning and afternoon classes for children ages 3-5. In the fall of 2008, we added a two year old class which offers lots of hands on activities and provides an introduction to preschool. This class is offered Tuesday, Wednesday and Thursday mornings only.

Kiddie Kollege Preschool is unique among the preschools of our area in that we offer flexible scheduling. You are given the choice as to how many days and which days your child is enrolled. Our flexibility allows you to choose to enroll your child for 3, 4, or all 5 days. We accept enrollment based on a first-come, first-served basis for each of our classes. To ensure your choice of days, please register early.

Our classes are organized around centers that are tied into weekly themes. At the beginning of each class time, the children have time to explore the center activities. The remainder of the class time is spent in a circle time (learning finger plays and songs); doing small motor activities (such as writing letters, numbers and name); a story time; snacks, and large motor activities (playing on the fenced in playground or in our indoor play area). Lessons are usually planned to introduce a new letter of the alphabet each week. Our teachers do an excellent job of tying the themes into activities that the children will enjoy. In addition to learning letters, the children will also learn numbers, colors, shapes, days of the week, months of the year, seasons, Bible stories and verses.

We have special visitors that come to Kiddie Kollege as well. We welcome guests who are willing to share their talents or careers with the children. One of the pastors joins us for a chapel time each week; we have music class once per week, and once a month a librarian comes to read to the children. We also take field trips to places such as the fire department, restaurants and other places in our community.

We hope that you will choose Kiddie Kollege Preschool to serve your family. If you have any questions, or you would like to visit our classrooms, please feel free to contact me. We are looking forward to hearing from you.

Sincerely,

Jennifer Nier
