† Thank you for praying for Gary Smith's parents, Marianne and Phil Smith. Marianne is now at Peabody Nursing Home in rehab for 3 weeks. She is doing well with therapy from her knee surgery last week. Her room number is #119 in the Transitional Care Unit if anyone wants to send cards or visit. Phil has a broken left fibula behind the knee area, Doctors have discussed surgery since it is a splintered type of break, but no decision yet. He has an immobilizer brace right now. He has also been diagnosed with congestive heart failure. He will eventually go to Peabody for rehab and long term care. Please pray for the doctors and family to make the best decisions on Phil's care.

**This weeks scripture reading.**

*<sup>1</sup> Give ear to my words, O LORD, consider my sighing. <sup>2</sup> Listen to my cry for help, my King and my God, for to you I pray. <sup>3</sup> In the morning, O LORD, you hear my voice; in the morning I lay my requests before you and wait in expectation.*
